LIBRARY OF THE BOMBAY BRANCH OF THE ROYAL ASIATIC

State Karbhari's Office,

Camp Vadgaon, 13th July 1916.

SIR,

I have the honour by direction of the Chiefs, to submit the Annual Administration Report of the Kurundwad Junior State for the Administration year ending 31st March 1916 and the Financial year ending 7th June 1916.

The statements as per list are submitted herewith.

## Chapter I.

### *General and Political.*

1. The State consists of two Talukas:—(1) Yellur, adjoining Shahapur Taluka of Sangli State, and Angol Taluka of Kurundwad Senior State; (2) Maindargi Taluka adjoining Akalkot State. Besides these two Talukas there are two isolated villages: Ghatnatti and Davankatti lying on the borders of Athni Taluka of Belgaum District, the villages being under the jurisdiction of the Kurundwad Junior State. This dispersion and isolation has made the administration costly, and frequent supervision difficult.

### *Area and Population.*

2. The area of the State is 114 square miles, and the population is 34084 according to the Census of 1911.

### *Gross Revenue.*

3. The gross revenue of the State is Rs. 1,82,349-12-11, based on the average of the last five years excluding Inam adjustments.

### *Tribute.*

4. The State does not pay a separate tribute to Government. The tribute paid to Government by the Senior Branch of Kurundwad includes the amount of tribute due from this State.

### *Personal.*

5. The two Chiefs of Kurundwad Junior—Shrimant Madhavrao Ganpat alias Bhausaheb Patwardhan and Shrimant Vinayakrao Harihar alias Nanasaheb

Patwardhan are both Chitpavan Brahmins aged 42 and 39 respectively, and are First Class Sirdars of the Deccan. Shrimant Bhausaheb is entrusted with the jurisdiction and general administration of the state; while Shrimant Nanasaheb looks after the revenue affairs of his own share.

Shrimant Bhausaheb has a son named Shrimant Ganpatrao Bapusaheb–a bright and promising boy. Last year he did not attend the school, the Sangli High School, owing to ill health. This year he has rejoined the School. He is in the 7th. Standard and will appear for the Matric Examination of the Bombay University in March next.

Shrimant Nanasaheb has four brothers:—Shrimant Trimbakrao Abasaheb, Moreshwarrao Appasaheb, Nilkanthrao Dadasaheb and Dhundirao Bhayyasaheb. Shrimant Appasaheb has a son named Keshavarao Raosaheb. Shrimant Dadasaheb has a son who is named after his grandfather Hariharrao Dajisaheb. Shrimati Soubhagyawati Sitabaisaheb wife of Shrimant Bhausaheb comes from the Parinchkar's family of Poona. Shrimati Soubhagyawati Gangabaisaheb wife of Shrimant Nanasaheb comes from the Lagu family of Haripur in Miraj State (Junior).

Notable events in the Chief's household during the year under report:—Shrimati Soubhagyawati Umabai wife of Shrimant Trimbakarao Abasaheb gave birth to a daughter on the 12th. of November 1915. The daughter was named Baya Akka Saheb. A son was born to Srimati Soubhagyawati Annapurnabai-saheb wife of Shrimant Bhayyasaheb on the 9th. of March 1916. The son was named Chintamanrao Balasaheb. Shrimati Soubhagyawati Parvatibaisaheb wife of Shrimant Nilkanthrao Dadasaheb was delivered of a daughter on the 31st. of May 1916. The daughter was named Yamutaisaheb.

6. Shrimant Bhausaheb left Vadgaon on the 13th of November 1915 on a pilgrimage, and visited the following among other places:—Bombay, Agra, Allahabad, Benaras, Calcutta & Jagannath and returned to Vadgaon, where he has been staying, in close touch with the administration of the Yellur Taluka. In April, Shrimant Bhausaheb went to Bombay and was present on the occasion of the arrival of the Viceroy Designate–H. E. Lord Chelmsford, the departure of H. E. Lord Hardinge, and the investiture of H. E. Lord Chelmsford as Viceroy. On these occasions I accompanied the Chief to Bombay. Shrimant Bhausaheb had also gone to Kolhapur to see the Resident Kolhapur and Political Agent S. M. C. and the Assistant Political Agent.

7. Shrimant Nanasaheb had gone to Bombay and Poona to pay his respects to His Excellency the Governor and the Honourable Councillors of His Excellency in August 1915. In October of the same year, Shrimant Nanasaheb went to Yellur Taluka and was thus able to watch the administration of the Taluka at close quarters. On the 10th. of November 1915, Shrimant Nanasaheb went on a pilgrimage, visited Prayag, Benaras, Gaya, Haridwar, Calcutta and other places and returned to Kurundwad on the 3rd. of February 1916. In the same month, he went with his family to Ganpati Pule–the holy place of the family godhead of the Patwardhan family, via Poona Bombay. In April 1916, Shrimant Nanasaheb went to Bombay on the occasion of the arrival of the Viceroy Designate and the departure of H. E. Lord Hardinge. He also went to Kolhapur two or three times to see the Resident Kolhapur and Political Agent S. M. C. and the Assistant Political Agent.

*Political.*

8. The Chiefs take this opportunity of expressing their readiness of placing the resources of the State at the disposal of Government, for the defence of the Empire and assure Government of the unswerving loyalty and devotion of themselves and of the State.

Shrimant Bhausaheb and Nanasaheb contributed Rs. 500 to the Lady Hardinge Medical College for Women at Delhi, for which they were thanked by Her Excellency Lady Willingdon.

9. During the year under report, Major E. O'Brien, Assistant Political Agent visited Yellur Taluka in the month of March. I take this opportunity of recording the sincere regret of the Chiefs and myself for the departure of Major E. O'Brien to Porbander. During his term of office he has given very valuable assistance to the Chiefs in their work of administration and supervision. He was always very kind and sympathetic where the interests of the State were concerned. The Chiefs will miss his genial and kind personality very much.

Personally I must say that I got very valuable and timely advice from him in the discharge of the onerous duties of my office, which I had assumed just when Major O'Brien came to Vadgaon. I shall always remember with gratitude, the many hints that he gave to me and which have been very useful to me in the discharge of my duties.

### *High Officials of the State.*

10. Appendix I gives a list of the high officials of the State. The one outstanding feature of the list is the number of frequent changes in the office bearers. I may venture to remark that one reason of this is the isolation of the two Talukas which makes it incumbent to have a full staff for each of the two Talukas, which again entails a proportionately heavy expenditure on the slender purse of the State. The cost of administration of the State is therefore proportionately higher. Even with this, it is difficult to offer tempting salaries to competent men for the two Talukas separately. Hence arise the frequent changes in the office bearers.

Of the officials of last year, the late State Karbhari Mr. D. B. Bettigeri resigned his post owing to ill-health, on the 6th. of March. I regret to state that he died on the 13th. of the same month. He had been State-Karbhari for over three years; and brought to this state his ripe experience of revenue work as a Mamlatdar. The Chiefs deeply regret that he was not spared longer to the State. Though for the last six months he was ailing and so could not do his work as usual, his energetic personality and ripe revenue experience have left their mark on the State.

On the resignation of the late Mr. Bettigeri I assumed charge of the Karbhari Office, and fortunately was able to begin my responsible work under the direct guidance and supervision of Major E. O'Brien, late Assistant Political Agent, who had just arrived at Vadgaon. Of the year under report, it was only three months since I assumed charge, and it is too short a time to materially affect the administration of the State. I have tried—within this short period—to put the administration on a sound basis and to make it efficient and hope to present a substantial result in next year's report.

## Chapter II.

11. The State lands were surveyed and assessed by the British Survey Department in 1896. The new rates of assessment were declared in the same year excepting in the Dumala villages. The Dumala villages were brought under the system in 1908, with the exception of the village of Sulge. No waste land was brought under cultivation this year, nor was any land thrown out of cultivation during the year.

*Boundary Disputes.*

12. There are eight boundary disputes between this State and other States. The boundary dispute between Bastwad—a village in this State—and Dhamne—a village in British Territory—was referred to a Commission consisting of Mr. Norman, Assistant Collector Belgaum. C. D. representing the British Government and myself representing the State. The dispute has not yet been settled finally. At the close of the year there remained nine boundary disputes still to be decided.

13. The revenue demand on all heads amounted to Rs. 1,84,896-12-1, as against Rs. 1,89,864-4-11 of the preceding year. The total collections, including arrears of last year, amounted to Rs. 1,79,339-9-6, as against Rs. 1,85,341-7-5, in the preceding year. No coersive measures were resorted to, except a few notices and orders of attachments, which brought in Rs. 115-8-7. In one case of arrears, Rs. 135-7-1 were recovered by attachment.

14. As I took charge of the Karbhari Office on 6-3-1916, I was able only to visit the Yellur Taluka. I inspected the Taluka Offices and visited some villages. The Jamabandi of Yellur Taluka was settled before the end of the financial year. The Jamabandi of Maindargi Taluka was settled by the Mamlatdar. The village records of Yellur Taluka were also inspected.

## Chapter III.

*Protection and Legislation.*

15. A list of the Acts and Regulations in force in the State is given in Appendix 2. One new Act—the Forest Act, VII of 1878—was introduced in the State during the year under report. These acts are made applicable to the State, subject to the traditions of the State, which have a binding force.

*Military Force.*

16. The State does not maintain a military force. It however maintains a force of six sowars armed with lances and swords.

*Police.*

17. The strength of the Police continued the same. There is one Police Inspector in charge of the Police of the whole State. There are two Sub-Inspectors in charge of the two Talukas. There are 67 head constables and constables. The grades of the constables were revised last year and continue the same this year. On the whole no pains or money is spared to make the Police force efficient. As can be seen from Appendix 4, the cost has increased in the case of Sub-Inspectors and constables. The total cost for the year under report is Rs. 7998 as against Rs. 7654-15-9, of last year. More attention has been paid to the discipline of the force, as can be seen from the fact that in six cases constables were punished, as against four last year. Merited service is rewarded. In the year under report, two constables were rewarded. The progress and efficiency of the Police is keenly watched; and provision is made in next year's budget for promotions to deserving and efficient men in the force. Of the 67 head constables and constables, there are three Jamadars, two Havaldars, two Naiks, and sixty constables. There are six Sowars.

*Distribution of the foot police force.*

18. 22 constables for the Jail and the Lock-ups; 39 for the detection of crime; 3 employed in Courts; and 3 employed as orderlies.

*Punitive Police.*

19. A punitive police force consisting of one Jamadar and three constables had to be stationed at Sinnur, owing to the serious party factions existing in the village, and consequent fear of breach of peace. The cost of the force amounts to Rs. 40 p. m. and is levied proportionately on the villagers. The force was stationed for a period of one year, and will be raised from August next as there appears to be no reason to continue the same. In place of it, it is contemplated to station one Jamadar and two constables at Dudhni which is an important and flourishing mercantile place, and is only two miles from Sinnur; and one Police Patel will be kept at Sinnur. This arrangement will, it is hoped, be quite sufficient for the protection of the people, without any extra charge on the people or the State.

*Arms.*

20 Of the 67 constables, 10 are armed with rifles (Breech loading, No. 476 bore, long butt 4, short butt 6;) and the rest with batons only. The Police Inspector and the Sub-Inspectors are armed with pistols and swords. The sowars are armed with swords and lances. I, as Police Superintendent, have a pistol. The total expenditure incurred for the maintenance of this force was Rs. 7,998 as against Rs. 7,654-15-9 of last year. This shows a substantial increase.

21. The ratio of Police to population was 1 to 467 persons and the ratio of Police to Area was 1 to 1.5 miles.

22. Detailed information regarding the strength, discipline, education etc. of the Police in the State is given in Appendix 4.

23. The number of village police continued the same as in last year viz. 38. These are called Police Sanadees and are generally Vatandars. They work under the Police Patel of the village. They help him in looking after Sanitation and in the prevention and detection of crime. The Police Patels and the Shet Sanadees help the State Police in the performance of their duties.

*Work of the Police.*

24. In the year under report, there were 44 offences as against 67 of last year. 34 persons were arrested as against 68 of last year. 46 persons (including accused of last year) were sent up for trial. Of these 17 were convicted and 9 were acquitted. The percentage of convicted to arrested was 50 per cent, this year as against 47.05 of last year. Property worth Rs. 2,487-10-9 was stolen of which property worth Rs. 745-9 was recovered. The percentage of property recovered to property stolen was 29.6 The fall is due to the changes in the personnel of the Police force and the pending of cases.

25. There were 11 accidental deaths and 5 suicides in the year under report as against 1 and 7 of last year.

*Criminal Justice.*

26. Criminal courts in the year under report were as follows:-1 Huzur Court; 1 Assistant Sessions Judge's Court; 1 District Magistrate's Court; 2 Second Class Magistrates' Courts; 2 Third Class Magistrates' Courts.

27. The number of offences reported was 109 as against 127 of last year. The number of persons brought to trial, including a balance of 50 of last year was 312 as against 370 of last year. Of these 10 were committed to the Sessions,

60 were convicted, 122 were discharged, 73 were acquitted. At the end of the year, 47 persons were left awaiting the completion of their trial.

*Courts of Sessions.*

28. Of these there are two:—the Huzur Court, and the Assistant Sessions Judge's Court. The Huzur Court had before it in the year under report one case with two accused. Both were acquitted.

29. There were 3 cases with 8 accused before the Assistant Sessions Judge's Court. Of these 2 were convicted, 2 acquitted, 1 died, and there remained three persons awaiting trial.

*Appellate Courts.*

30. There are two Appellate Courts in the State:—The Huzur or Chief's Court as High Court and Sessions Court; and the Karbhari's Court as that of District Magistrate, Nyayadhish Court, and one of the First Civil Appellate Court.

31. Appendix 9 shows the result of appeals heard by the Appellate Courts. There were 9 appeals. Of these 1 was confirmed, three were reversed and five remained pending at the end of the year.

*Extradition.*

32. There was no extradition either from the State to British Government or to other States, or from British Government or other States to our State.

*Civil Justice.*

33. Appendix 10 shows the Civil Courts of original Jurisdiction and the work done by them during the year under report. 116 suits were filed. Of these 41 were diposed of, leaving 75 at the end of year. Average duration for all Courts was 4 months 28 days.

34. The value of suits disposed of during the year was Rs. 5,712-10-2. There were 22 suits regarding landed property, 51 regarding money transactions, 6 for other rights, filed during the year under report—as against 17, 59, and 3 of last year.

*Execution of Decrees.*

35. 49 applications were filed in the year under report, as against 42 of last year. The total was 68. Of these 31 were disposed of leaving a balance of 37 at the end of the year. ( Ap. 11 )

36. There are two Civil Appellate Courts. The Huzur Court exercising the rights of the High Court. The Nyayadhish Court exercising the rights of a First Civil Appellate Court. The working of the two Courts is shown in detail in Appendix 12.

37. Nine appeals were filed in the year under report, in addition to the balance of 11 of last year, making a total of 20. Of these three were disposed of, leaving a balance of 17. In two cases the decision of the lower court was confirmed, and in one case, it was reversed.

*Mamlatdars' Courts.*

38. Under Act 3 of 1876, three suits were filed in the courts in the year under report, as against 8 of last year. All were disposed of during the year.

*Jail.*

39. There is one central Jail at Kurundwad, in charge of the State Karbhari as Jail Superintendent. There are two lock-ups—one at Vadgaon, and the other at Maindargi. The Jail Building at Kurundwad is sufficiently strong, spacious and airy. It contains a spacious cook-room and 12 cells. The lock-ups at Vadgaon and Maindargi are in charge of the Mamlatdars. The Jail at Kurundwad was inspected by Major E. O'Brien, Assistant Political Agent on the 19th of November 1915.

40. The number of prisoners was 34 as against 56 in the preceding year. Of these 21 were released on completion of their term; and 13 remained at the end of the year. The total cost of the Jail was Rs. 1,275-9-4.

41. The prisoners at Kurundwad and Maindargi were innoculated on the outbreak of Plague at those places, and there was no mortality among the convicts in Jail.

42. The average dietory charge per convict per month comes to Rs. 3-10-2.

43. There was no death among the convicts. The health of the prisoners was on the whole good.

44. Discipline among the convicts was well maintained. Their general behaviour was on the whole satisfactory.

45. The prisoners are mostly employed in the Chiefs' gardens. Some of the long-time prisoners are taught some handi-craft like knitting socks and stockings etc.

*Registration.*

46. There are three Sub-Registrars at Kurundwad, Yellur and Maindargi. In the year under report, 882 documents were presented for registration, all of which were registered, none being refused or left over till next year. The value of documents registered was Rs. 2,30,302-11-6, as against Rs. 1,81,688-4-2, of the preceding year. Of the 882 deeds 407 were for mortgages, 236 sale deeds, 9 wills, 3 money bonds, and 227 miscellaneous documents. (App. 14.)

*Receipts and Expenditure on account of Registration.*

47. Fees realised for Registration amounted to Rs. 2,601-7-6, as against Rs. 1,528-2-3, of the preceding year. Expenses incurred on account of Registration during the year under report amounted to Rs. 371-7-0 as against Rs. 354-2-3 of the preceding year. Thus there was a net profit to the State of Rs. 2,230-0-6, as against Rs. 1,174-2-3, of the preceding year. (vide App. 15).

*Municipal Administration.*

48. There are two Municipalities in the State:—one at Maindargi, and the other at Dudhni, both in Maindargi Taluka. There was no change in Municipal area, during the year. The opening balance was Rs. 1,196-6-6, for Maindargi and Rs. 6,393-0-1 for Dudhni. Receipts during the year amounted to Rs. 2,321-1-1 as against Rs. 1,815-5-9 in the case of Maindargi, and to Rs. 4,647-14-8 as against Rs. 2,900-0-9 in the case of Dudhni. The expenditure on both the Municipalities amounted Rs. 5,208-13-9, leaving a balance of Rs. 9,349-8-7on hand. The surplus has been reserved for future use.

49. The chief source of income was housetax. The chief items of expenditure were sanitation, lighting, road-repairs, and water-supply.

50. Dudhni is a small trading place; but it is developing very rapidly and will soon be the first and foremost commercial town in the State. A Medical dispensary had been a longstanding want. It has now been provided for by the opening of a dispensary in the place.

*Production and Distribution.*

51. The rainfall in Yellur Taluka during the year under report was 48 inches 68 cents, as against 81 inches 88 cents of the preceding year. The average rainfall of the past five years was 47 inches 30 cents. So the rainfall for the year under report may be said to be normal.

In Maindargi, the total rainfall was 33 inches 25 cents, as against 34 inches 36 cents of the preceding year, the average of the last five years being 25 inches 75 cents. So, there the rainfall was abundent. But as it was not opportune, the crops were only Fair, Kharip being 7 to 8 annas, and Rabbi yielding 8 to 9 annas in a Rupee. In Yellur, the yield ranged from 6 to 12 annas in a Rupee.

On the whole, the season may be said to be Fair.

*Fodder and Water supply.*

52. Fodder supply was quite sufficient in both the Talukas, in the year under report. Rainfall being normal in Yellur Taluka, and abundant in Maindargi, water supply was sufficient.

*Wages and labour.*

53. There was no reduction in wages. The wages per diem of skilled and unskilled labour in the State were as follows :—

| | |
|---|---|
| Carpenter | Ans. 12 to Re. 1 |
| Mason | „ 10 |
| Male cooly | „ 6 |
| Female cooly | „ 4 |
| Child cooly | „ 3 |

*Forest.*

54. There is only one forest of Hangirg in Yellur Taluka. The source of income from this forest is fire-wood and Hirda.

There is an ancient Fort named Rajhansgad. There is a Trignometrical Survey Station on the Fort.

*Trade and Manufacture.*

55. There are weavers in both the Talukas. Those in Maindargi Taluka manufacture coarse cloth; and those in Yellur Taluka manufacture fine cloth such as Sarees, and Dhotars with silk borders. Their condition is depresing owing to the high prices of colours and yarn.

56. The work of the Tanning Factory at Machhe continues as usual. There is a work-shop at Vadgaon worked by an oil-engine, which turns excellent fountain pens and stylo pens prepared from brass-rods. These fountain and stylo pens command a good sale, and are exported to the principle cities of the Bombay Presidency. The oil-engine Grinding Mill at Maindargi is working well.

*Exports and Imports.*

57. Sugar, salt, colours, kerosine, timber, cotton, yarn, cloth, metals and other food grains are the principle articles of import. Foodgrains, oilseeds, oil-cakes, sarees, dhotars, fountain and stylo pens are the chief Exports.

*Excise revenue.*

58. There are four country spirit shops, 3 opium shops one Ganja shop, and 5 toddy shops—in all, 13 shops in the State. The excise revenue of the State is from country spirit, toddy and hemp durgs. The Abkari Bab has been leased out to the British Government, for which the State receives Rs. 17,600 as compensation, per annum. The Ganja Bab is also leased out to the British Government for Rs. 467 per annum. In the matter of Abkari administration the State revenue and Police authorities give cordial assistance to the British Abkari officers, for the purpose of suppressing illicit manufacture and sale of spirits.

*Public works.*

59. A sum of Rs. 1,037-4-9 was spent on the Yellur road. Bastwad road was prepared at a cost of Rs. 262-13-9; while the well at Hangirge required Rs. 386-10. Another notable feature is the expenditure on the State Record Office, for which a sum of Rs. 551-7, was spent. Various other sums have been spent on other small but necessary works. A datailed description is given in Appendix 19. On the whole, a sum of Rs. 590-12-6 was spent out of State funds, and a sum of Rs. 2,039-12-6 out of the Local Funds, making a total of Rs. 2630-9.

*Post Offices.*

60. The Post offices in the State remained the same. The post-office in Vadgaon in Yellur Taluka, and at Maindargi in Maindargi Taluka are in charge of the school head masters of those places. Dudhni Sub-office has its own post-master.

*Mint.*

61. There is no Mint in the State.

*General condition of the State and the people.*

62. The population of the State consists mainly of agriculturists. Rainfall having been quite sufficient in Maindargi Taluka, the crops there were fairly good. The crops in Yellur were also fair. The people of both the Talukas paid the revenue demand without any coersive measures. The food prices being higher, the agriculturists were well off. The weavers in both the Talukas are doing fairly well, their finances being rather depressed, owing to the abnormal prices of yarn and colours. Fodder and water supply was quite sufficient in both the Talukas. On the whole the state of the people may be said to be good.

*Agricultural Stock.*

63. A detailed list of agricultural stock is given in Appendix 20.

## Chapter V.

*Receipts and Expenditure of the State.*

64. Appendix 22 gives a detailed description of the receipts and expenditure of the State during the year under report.

## Chapter VI.

*Vital statistics and Medical relief.*

65. The charitable dispensary at Maindargi was in charge of Mr. R. S. Ghorpade, Sub Assistant Surgeon. The number of patients treated was 26,614 as against 27,559 of the preceding year. The average daily attendence was 72·9 as against 75·5 of the preceding year. Mr. Ghorpade gave very valuable assistance to the people while Plague was raging at Maindargi, by moving among people and giving medical relief. The institution has now become popular among the people. It would be still more popular. But there is one drawback. Under the present arrangement, owing to the opening of a new charitable dispensary at Dudhni Mr. Ghorpade had to attend the Dudhni dispensary twice a week. This arrangement though not satisfactory is necessitated as two separate Surgeons could not be secured within the limited income of the Municipalities. The question of appointing two separate competent doctors is under consideration ; when it is accomplished, it will be of immence advantage both to the people of Maindargi and Dudhni.

The dispensary at Dudhni has been opened only recently. It is, at present, in charge of a well-trained and competent compounder, under the direct supervision of the medical officer of Maindargi. The medical officer visits the dispensary twice a week. This arrangement is only tentative, and steps will shortly be taken to equip and manage it efficiently. The number of patients treated in the Dudhni Municipal Dispensary was 8,394, a promising figure for the beginning of a new dispensary. The average attendence was 34·4.

The total expenditure on medical relief was Rs. 2,474-1-6 as against Rs. 2,101-3-6, of the preceding year.

*Vital Statistics.*

66. There were 1,173 births and 1,102 deaths in the year under report, as against 1,207 births and 1,071 deaths in the preceding year. The increase in deaths can be accounted for by the outbreak of Plauge in both the Talukas. Plague was responsible for 178 deaths in Yellur Taluka, and 83 in Maindargi. In all there were 291 attacks, and 261 deaths from Plague, while 30 cases were cured. This number exceeds last year's plauge deaths which amounted to 93 by 168. This accounts for the excess of deaths. Innoculation was provided for in both the Taluks. It is a noteworthy fact in this connection, that among the convicts and prisioners in the Jail and lock-ups, there was not a single death, as all were innoculated.

*General Health.*

67. Except for the prevalence of Plague, the general health of the people was satisfactory. Detailed statistics are given in Appendix 24.

*Sanitation.*

68. In Dudhni and Maindargi the work of sanitation is managed by the Municipalities. In other places, it is looked after by the village and Taluka officers.

*Vaccination.*

69. The work of vaccination was carried out by the State Vaccinator, under the supervision of the Vaccination Inspector of the State. The whole department of Vaccination has the special advantage of the general supervision of the Deputy Sanitary Commissioner of Belgaum. The number of children vaccinated this year was 1,224 as against 1,205 of the preceding year. The expenses incurred on this head were Rs. 593-4-9 as against Rs. 586-5-0 of the preceding year.

## Chapter VII.

*Instruction.*

70. The number of Marathi Schools this year was 15 as against 10 last year. The one Urdu School continues. The number of pupils rose from 618 to 716, in the year under report. The daily average attendance was 514.7 in the year under report as against 439·8 in the preceding year. The schools were inspected by the two Taluka head masters. They were also visited by the Mamlatdars of the two Talukas. Government Deputy Inspectors did not inspect the schools as before.

71. Education is given free. The Assistant master that was sent from Maindargi school, has passed the The Third Year Examination of the Training College of Poona, and got the Third Year Certificate. He has completed his course at State expence. The Vadgaon school is in charge of the head master Mr. Barve, a capable teacher of longstanding and experience. The English classes of the Maindargi school are in charge of Mr. Nagurkar, a Matriculate. The total cost of Instruction was Rs. 2,989-6-2, in the year under report as against Rs. 2,982-6-1 in the preceding year.

Education as a whole is progressing at a good pace in the State, though there is still room for improvement and developement. The people being mainly agriculturists and so backward, progress of Education is bound to be slow.

1. The State consists of two Talukas:—(1) Yellur adjoining Shahapur Taluka of Sangli State, and Angol Taluka of Kurundwad Senior State; (2) Maindargi Taluka adjoining the Akalkot State. Besides these Talukas there are two isolated villages Ghatnatti and Davankatti lying on the borders of Athani Taluka of Belgaum District, the villages being under the jurisdiction of the Kurundwad Junior State. The State has an area of 114 square miles, and its population according to the census of 1911 is 34084. The gross revenue based on the average of past five years comes to Rs. 1, 76, 454-5-7 excluding Inam adjustments.

Shrimant Bhausaheb is entrusted with the Jurisdiction and general administration of the State, while Shrimant

Nanasaheb looks after the revenue affairs of his own share. Shrimant Bhausaheb has a son named Shrimant Ganpatrao Bapusaheb a bright and promising boy who appeared for, and passed in the Matriculation examination of 1917 and has joined the Deccan College Poona. # Annual Administration Report

OF THE

# Kurundwad (Junior) State.

FOR

# 1918–1919

No. 518 of 1919.

From,

D. S. Shidore, Esquire.

State Karbhari, Kurundwad Junior.

To,

Lt-Col C. F. Harold.

Resident Kolhapur & Political Agent.

S. M. Country.

State Karbhari's Office.

Kurundwad, 7th July 1919.

Sir,

I have the honour, by direction of the Chiefs to submit the Annual Administration Report of the Kurundwad Junior State for the Administration year ending 31 st March 1919 and the Financial year ending 7th June 1919.

The statements as per list are submitted herewith.

## CHAPTER I.

### *General and Political.*

1. The State consists of two Talukas:—(1) Yellur adjoining the Shahapur Taluka of the Sangli State and Angol Taluka of Kurundwad Senior State; (2) Maindargi Taluka adjoining the Akalkot State. Besides these Talukas there are isolated villages Ghatnatti & Davankatti lying on the borders of the Athani Taluka of the Belgaum District; the villages being under the jurisdiction of the Kurundwad Junior State. The State has an area of 114 square miles, and its population according to the census of 1911 is 34,084. The gross revenue based on the average of past five years comes to Rs. 190810-11-4 excluding Inam adjustments.

2. The State does not pay separate tribute to Government. The tribute paid to Government by the Senior branch of Kurundwad, includes the amount of tribute due from this State.

are First Class Sardars of the Deccan.

During the year under report Shrimant Bapusaheb, the only son of Shrimant Bhausaheb, was married with Shrimati Soubhagyawati Ramabaisaheb, daughter of Mr. Shankerrao Jog of Athani. The marrige was celebrated with great pomp at Sangli on 13th July 1918.

4 This year opens with rather bright prospects The titanic struggle, in which the allies were engaged during the last four years, is finished & the gravest peril to the liberty and civilization of the world is over. It was indeed, India's unique opportunity to show her loyalty, in which she has acquitted herself creditably. This State has done its mite and has spontaneously displayed its devotion to the British Crown. In spite of the very hard days resulting from the failure of Monsoon and from the enormous rise in prices, and not withstanding its small resources, this State contributed to the various funds raised in help of War to the fullest limit of its capacity. The State also gave very liberal facilities in order to help recruiting & sent 44 recruits most of whom were Deccani Mohomedans. Besides these, many recruits from this State have also enlisted themselves independently.

Armistice & Peace celebrations were duly celebrated, in this State.

5. During this year the Assistant Political Agent S. M. Country visited Kurundwad in the month of December 1918.

Kurundwad 20 th July 1921.

Sir,

I have the honour to submit, by the direction of the Chiefsahib of Kurundwad [ Senior ] State, the Annual Administration Report of the State for the administrative year ending 31 st March 1921 and the financial year ending 2nd June 1921.

2 The statements as per list accompany.

## CHAPTER I.

*General and Political.*

3 The Political relations between the British Government and the State were as cordial as ever. That His Royal Highness the Prince of Wales had to postpone his coming to India was a matter of sincere disappointment. The very recent announcement that His Royal Highness is coming in November 1921 dispelled that disappointment and the announcement was hailed with joy through the State with British India. The visit, which His Royal Highness, the Duke of Connought, paid to India to inaugurate the reforms in British India and to formally open the Princes' Chamber, was a gratifying event to the Chief and the State's Subjects.

State is divided for administrative purposes into 3 Talukas viz:- Kurundwad and Angol situate in the Belgaum District and Tikota situate in the Bijapur District. One village of Kurundwad Taluka is situated in the Satara District. The State has an area of 182.5 square miles and its population according to the provisional figures of the Census of 1921 is 38,773 souls as against 38,366 according of the Census of 1911. The increase in population is very slight and speaks of the dire effects of the influenza epidemic of 1918. The gross revenue of the State, excluding Inam alienations, based on the average of past five years, comes to about Rs. 142,726. This figure includes the income of the Chiefsahib's Sheri and Inam lands in the State and other property situated elsewhere as well.

5 The State paid to the British Government the Annual Tribute of about Rs. 9,619. Out of this sum about Rs. 1,194 were deducted on account of the annual fixed compensation being paid by the British Government to the State for the prohibition of the manufacture of earth salt at Tikota and the exact amount paid on this account amounted to about Rs. 8,425 ( Vide Bombay Government Resolution No. 8101 dated the 3rd November 1900 ).

6 The Chiefsahib, Meherban Bhalchandrarao Chintaman alias Annasahib Patwardhan, is a Konkanstha Brahmin by caste and is 48 years old. He is an Art Graduate of the Allahabad University and a Medalist in Sanskrit of the same The present Raneesaheb Shrimati Soubhagyavati Sitabaisahib alias Maisahib comes from the Kale Family of Tasgaon and Poona. The most gratifying event during the year under report, from the view point of the State, was the auspicious birth of a son and heir to the Chiefsahib on the 13th February 1921. The son has been named Chintamanrao alias Balasahib after his grandfather and is now progressing fairly well. Among various other benefactions the Chiefsahib was pleased to abolish the 5 per cent tax on every sale of house property that was being levied through the State and repealed Rule 51 of the State Rules.

7 High prices allowances were paid throughout the whole year i. e. to the end of May 1921. Since June 1921 these allowances have been discontinued, but suitable increases in the pay of the State servants have peen sanctioned.

8 The Chiefsahib had been to Angol in the month of May 1921.

9 Lt-Colonel J. W. B. Merewether, C. I. E., Resident Kolhapur & Political Agent, S. M. C. States, paid a brief visit to Kurundwad from Sangli on 27th December 1920. You visited this place during the

month of November 1920.

10 Appendix I gives the names of the principal Officials of the State.

11 Since the 11th April 1920 the State Karbhari was invested with the powers of the Assistant Sessions Judge to try offences for which imprisonment for seven years or under had been provided. Mr. G. D. Borgaonkar, a local pleader, was appointed Mamlatdar, 2nd Class Magistrate and 2nd Class Sub-Judge of Angol Taluka from 1st April 1920. He, however, unfortunately died in June 1920 and the Aval karkun had again to act in his stead. Mr. D. L. Lokurkar, another local pleader and a Watandar of the State, was appointed. He took charge of the post on the 1st August 1920. Since 1st April 1920 a 2nd Class Sub-Judge's and 2nd Class Magistrate's Court was created for the Kurundwad Taluka as an experimental measure and Mr. S. R. Kulkarni, B. A., L L. B., was appointed on that post. Mr. A. V. Khasnis, B. A., L L. B., the Mamlatdar, 2nd Class Magistrate and 2nd Class Sub-judge, Tikota, was promoted to the place of Nyayadhish ( 1st Class Sub-Judge ) and 1st Class Sub-Divisional Magistrate and was further invested with the powers of the First Appellate Court in Civil cases and was empowered to dispose the Criminal Appeals sent to him for disposal by the District Magistrate, Mr. V. L. Kulkarni having retired. All the Civil cases remaining pending in the Court of the Nyayadhish being found out to be within the jurisdiction of the 2nd Class Sub-Judge were transferred to the file of the newly created 2nd Class SubJudge, Kurundwad. The Court of the 2nd Class Magistrate for the Kurundwad city was closed and Mr. M. K. Chhatre, the then City Magistrate, was appointed Mamlatdar, 2nd Class Magistrate and 2nd Class Sub-judge, Tikota, in place of Mr. A. V. Khasnis. Mr. B. R. Koppal Mamlatdar and 2nd Class Magistrate, Kurundwad Taluka, having resigned owing to old age Mr. G. A. Joshi, a servant of the State, was promoted to the place vacated by Mr. Koppal. Mr. R. D. Deshpande, the Head Master and Shaladhikari, resigned his post for further studies on the 26th of June 1920 and the 1st Assistant, Mr. G. R. Chhatre, continued to act as Head Master, F. G. A. V.
